Organized by the CONSTRUCTION INDUSTRY AUTHORITY OF THE PHILIPPINES  
through the PHILIPPINE DOMESTIC CONSTRUCTION BOARD  
supported by the UNITED STATES AGENCY FOR INTERNATIONAL DEVELOPMENT

The Construction Industry Authority of the Philippines - Philippine Domestic Construction Board (CIAP-PDCB), supported by the United States Agency for International Development (USAID), is set to host a series of **Build In Conversation** on current and emerging trends and various policy agenda in the construction industry, building on the Pillar of Sustainability under the Philippine Construction Industry Roadmap (PCIR) 2020-2030.

The first installment, entitled **Build In: Conversation on Sustainability and Resiliency**, set on September 29, 2021, Wednesday, at 1:00 p.m. focuses on the policy agenda on sustainability, resiliency, and biodiversity in the construction industry, and will showcase **sustainable and resilient build environment, financing sustainability and other investment opportunities in Green Infrastructure, and the Modern Public Private Partnership (PPP) Law.**

Speakers for this event are: renowned Architect and Urban Planner, **Arch. Felino A. Palafox, Jr.**; President of Planet Partnerships, **Mr. Matthew Hensley**; and the Chairperson of the House Committee of Ways and Means and one of the proponents of the Modern PPP Bill, **Congressman Jose Ma. Clemente “Joey” S. Salceda**. The host of this event will be the Infrastructure Component Team Lead of USAID Deliver Project, **Prof. Ronilo M. Balbieran**.
